Pertinent Paragraphs

Today and Tomorrow? Today and Tomorrow it is muscle men. Muscle men are needed. Pick and shovel men, volunteers on the Community Center. We haven't forgotten the Community Center. Anyhow this pick and shovel work has to be done today and tomorrow, Saturday and Sunday by volunteers as donation to the Community Center.

Today's job is to connect the building site with the water line at the school. This connection must be made before the work can go ahead on the Community Center.

Mr. A. E. Donnelly is donating his time and equipment. He and Mr. Chris Ferguson will be on hand to direct the work, but muscle men, able to handle pick and shovel, are urgently needed to complete this water connection (today and tomorrow) so that work on the center may be speedily started.

Fire prevention is the most important fire protection. We all want fire protection and now we can have it in the form of fire prevention.

And you can phone for fire prevention. The fire rig will stand by. All you have to do is to organize with your neighbors, decide what grass, rubbish or other material should be burned to prevent dangerous fires. Select one person to be in charge of this work. Then phone Ted Haaf or Jim Pierce and arrange for a fire rig to stand by.

They will let you know when the fire rig and its attendants will be available for your section. They will direct the burning and stand by. Organize your section now, then phone. The fire department will set the date and time for the burning, plan, advise and direct the work and stand by with the fire rig.

Opens Insurance Office In Casteel Building, Lemon Grove

On Monday, June 13th, R. Bruce Carmichael will formally open an office in Lemon Grove, at 7810 Broadway, which will be strictly an Insurance Service.

Mr. Carmichael has been in the insurance business since 1936. In opening an office here he feels that he can more readily handle the insurance problems of his everincreasing clientele in this area. In opening in Lemon Grove Mr. Carmichael represents only old-line stock fire and casualty companies which along with the Life Insurance company he represents have total assets in excess of $2,000,000,000.00.

The youngest fire company he represents is 96 years old; the oldest 150 years. The Hartford Accident & Indemnity Company through which he writes his casualty is one of the largest multiple-line casualty companies in the United States, and it is so well represented throughout the country that it is particularly adaptable for the traveller who wishes to avoid any delay in securing an adjustment in the event of an accident.

Mr. Carmichael wants to clarify one thing, and that is, in sharing an office with Mr. George W. Casteel, Mr. Carmichael's business will be absolutely restricted to insurance.

When asked what variouss types insurance he handles, he countered by remarking: "We write all forms of insurance except Bail Bonds."

SLIP OF THE TONGUE RAISES THE JACKPOT

The boys on the set of Twentieth Century-Fox's "Mother Is A Freshmtn," new Technicolor comedy which stars Loretta Young and Van Johnson at the Grove Theatre, Tuesday, Wednesday, Thursday, June 14, 15 16, not only had to mind their cues but they had to avoid the P's—for profanity.

Even the smallest little cuss words brought a fine, as a result of a rule established by Loretta. And the attractive Academy - Award winner enforced her edict in person, collecting ten cents to a half dollar from anyone caught with an unguarded tongue. Nearly everyone connected with the production was caught at least once, and one forgetful offender kicked into the kitty a total of twenty-five times,

Loretta rang the bell on agents and actors from other sets, who, though classified as visitors, were required to come up with something other than conversation.

No one objected to the scheme, though, because the entire proceeds were turned over to the St. Anne's hospital of Los Angeles.

WEISSMULLER ROLE AS JUNGLE JIM HIS 3RD LEGEND

It pays to be a legend!

So far, Johnny Weissmuller has been three of them, and they've all paid off.

Johnny first became a legend when he himself thought he was merely winning an occasional swimming tournament or, more spectacular, an Olympic championship or two. By the time Johnny quit competition, he had piled up the astounding mark of five Olympic swimming titles, 52 national championships and 67 world's records, some of which still have not been bettered. In addition, he was never once beaten in competition, a record no other swimming champion and few other athletes of any kind can boast.

Legend No 1"paid off' indirectly, by leading Weissmuller straight to Hollywood stardom, with its financial and other rewards, as a jungle hero. That was Legend No. 2, and it led the fabulous Weissmuller into the third stage of his fabulous career, making him a "natural" for his newest stardom.

Now, Weissmuller is embarked upon Legend No. 3 his new screen role at the Grove Theatre Friday and Saturday June 10, 11. As "Jungle Jim," in the new Columbia picture with Virginia Grey and George Reeves, Weissmuller portrays the jungle daredevil who is the hero of one of the most popular newspaper cartoon strips.
